APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This Permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed .0156 cubic feet per second.

Actual construction work shall begin on or before Nov. 1, 1930

Proof of commencement of work shall be filed before Dec. 1, 1930

Work must be prosecuted with reasonable diligence and be completed on or before Nov. 1, 1932

Proof of completion of work shall be filed before Dec. 1, 1932

Application of water to beneficial use shall be made on or before Nov. 1, 1933.

Proof of the application of water to beneficial use must be filed with State Engineer on or before Dec. 1, 1933

WITNESS MY HAND AND SEAL this 23rd day of June 1930
